Sir George Lensell M.L.C.,  
268 View Street,  
BENDIGO.

Dear Sir George,

Following our conversation re the use of the Old Police Barracks, for the housing of exhibits etc., it is understood that the erection of a prefab., is now in course, which will release the Barracks for our use. Application has been made to the Education Department through the Bendigo City Council for the use of the building, and we would be very glad if you could assist us to realise the desire.

A grant would be very helpful if it could be obtained, and herewith is a letter for your perusal, to the Premier (Mr. McDonald).

If you approve of this action, would you please post this letter, but, if in your opinion a personal approach would be more desirable and effective - then destroy it.

A photograph of each of our present Parliamentary representatives would be an acceptable addition to our already large collection, and your photograph would be very much appreciated if you would be so good as to forward it for inclusion.

Yours sincerely,

E. HAYWARD.

HON. SECRETARY.
