MALDON.

Dear Sir,

This Society is exerting itself in obtaining all possibly records and mementoes of this year, being Centenary year, and also the City's past history. Our efforts are being directed to assembling and classifying all these, in a suitable setting and we are endeavouring to obtain the use of the Old Police Barracks.

These premises are at present being used as a classroom for the High School, but a prefab., is being erected adjacent to it, which will allow the School to vacate the Barracks.

Application has been made to the Education Department by this Society, through the Bendigo City Council, for the use of this building, and we would be very glad if you could see your way to assist us in obtaining it.

A photograph of each of our present Parliamentary representatives would be an acceptable addition to our already large collection, and your photograph would be very much appreciated if you would be so good as to forward it for inclusion.

Yours sincerely,

E. HAYWARD.

HON. SECRETARY.
