Dear Sir -

I send bank receipt
for $18.12.0$ from County
districts it would have been a
little more but unfortunately
for me my mare put her foot
in a hole Saturday evening when
I was riding harder than usual
came down a cropper & turned top
turning fairly on to your truly the
consequence is I am in bed right
since & left with severely sprained

I had about 3 miles to ride
after, before getting to Campaspe
Station which considerably
approached the reef so that I am
90% sure I shall want to borrow
a crutch. as I was able to
step a bit last night I hope
to be around and working in
a ^{few} days. Yours faithfully

M. Whidborne
