

REYNOLDS REFERENCE

London Aug.23rd 1856

Dear Sir,

We have much pleasure in giving this letter of introduction to you, to Mr. Richard Reynolds - who after nearly twenty years in our employment is about to seek his fortune in Australia.

We believe him to be a man of integrity and we know him to be sober and industrious - and if the prospects which at present lead him to the Southern Hemisphere should fail him, we should willingly offer him re-employment.

We have given him this introduction that he may not be entirely unknown in the land if he should not realize his expectations..

Hoping that you are well and prosperous

We are

Yours faithfully,
