Maud Hutton Gardner F. James M. Emma Porter born EAGL 1872 B/F 8584
could have married Harry Thomas and also could have been the mother of Dolly
known as Dolly Barnes. . Dolly Barnes was the infant reared by Ellen and
Chas.Reynolds for four years until reclaimed by Gardner/Barnes. C. 1911. .
It would appear that Ms Gardner/Gardiner was a single mother and that the father of the
child was a Mr. Barnes - possibly married. Ms. Gardiner took 4 year old Dolly and it
was said went to live with Barnes. On one public record the name in the marriage
was unreadable and later in another it appears as Barker.
Ms. Gardiner In 1923 age 51 is unlikely to produce two more children.
However the name Dolly is unlikely to be the child's proper name.
