The Secretary,  
V. C. V. C.,  
Mr. Tom Stevens,  
Dear Sir,

Our Association was disbanded last year due to lack of Players and support. I have been forwarding any correspondence on to Mr, Ben Kreunen, Moore Street, Ararat. as he was to handle anything further which came to our Association. Apparently you have never been notified that our Assoc. is not now in existence. I thought I would let you know so you won't be inconvenienced any further by having to forward any further corresp. to the Ararat Association.

I am sorry you have not been notified before this but I understood Mr. Kreunen was to have let you know but he has apparently failed on his duty to do so.

If at any further date we do re form our Association we shall be pleased to inform you.

Once again I apologize for any inconvenience we may have caused.

Yours faithfully,

*Val Blachford*
