Dear Miss Hampson,

CAMP - AUSTRALIAN MEN'S SQUAD

The Australian Men's Volleyball Squad intends to hold a one week camp in January 1975 in preparation for the Asian Volleyball Championships later in this year. The question arises if your Association would be willing to be the host at this occasion by providing billeting for the squad members and one half of the hall you are normally playing in. The projected time is from January 4 to 11, 1975 incl. We believe that having the Australian Squad for such a period of time in your territory could be of great benefit to your own members of your Association, as they can watch training methods and certainly exhibition matches and other matches could be arranged.

Please advise at your earliest if your Association is interested in the proposal and also the approximate costs involved particularly with due regard to the hall rentals.

Yours sincerely,
V. A. V. A.
