Dear Tom,

Just a note to say that the meeting of the VCVC at Morwell will be on Saturday, 7th December at 9.00 p.m. Games should finish about 8.25 if we get acceptances to all our invitations. *Venue to be decided.*

VAVA and the other country associations have not yet been notified about the meeting, and I will leave that to you.

Looks as though Alan Lowe has got a good thing going on volleyballs anyway, as he quoted me the following prices available from CORIO SPORTS STORE at Geelong:

Techikara - \$10.70 each and available.
Mikasa - \$12.35 each and probably available.
Addidas - \$11.50 each - availability doubtful.

I have not done anything about standardising some of the playing rules for country tournaments as yet, but may get something done by Saturday, 7th December, 1974.

Agenda items - cannot think of any.

Also we have not invited Swan Hill to our tournament as their playing season is well and truly over at that time and I believe they would have trouble in filling a team out of season.

Also Joe Basten asked me to tell you if you could return that Co-Op. Bank card as soon as possible.

Until next time,

Bob
