Dear Tom,

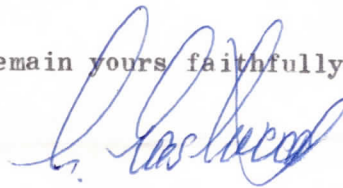

Please accept our apologise for the oncoming delegates meeting to be held at Morwell on the 7th December as Geelong will not be able to attend this meeting .

Due to the fact that our season finishes this coming weekend the 8th of December which which is our Grand Final day we will not be able to attend the round robin tournament or the proposed meeting, as stated above

We also would like to apologise for the lax attitude our association has taken in the past towards the V.C.V.C Meetings, and would just like to reassure you of our close and unbroken support in the near future regards the above.

Hoping that the tournamnts goes of very successfully and all runs smoothly for all participants ,

We remain yours faithfully

G. EASTWOOD
