Dear Eric,

I have been requested to ask your Organizing Committee of the First Asian Volleyball Championships for permission to allow teams competing at these Championships to be approached in regard to giving a demonstration match and/or a training session at the following Victorian Country Centres. Bendigo, Wangaratta, Morwell, Warrnambool. Each Association at the above cities would be responsible for all costs so incurred in the staging of such matches.

If your permission is forthcoming the Associations concerned would be required to submit individual proposals to your Committee for approval.

Your decision and requirements on the above matter is keenly awaited at your earliest convenience.

Yours in Volleyball,

Tom Stevens
Secretary
V.C.V.C.
17/5/75.
