BENDIGO.

Dear Murray,

Thank you for your news letter and notice of the V.C.V.C. Annual Meeting. I must tender my apologies regretfully, as I will be in New Zealand from the 21st. September until the 9th. October, and so will miss quite a few Volleyball events in that time.

I do want to thank your Council and commend the excellent progress it has made. Although we know much greater things to be ahead it is satisfying to realise that we have had a most exciting year.

The great success of the Country rounds of the Asian Championships was most gratifying, and was only possible because of the strength of the local organisations in Warrnambool, Wangaratta and Bendigo.

While our sport has many organisational problems to overcome, I feel the most important immediate development could come from obtaining and fully utilising a full time coach and I commend the proposal to your Council for its assistance and advice so that we can make the plan economically viable next year.

I express my thanks to all those people who so ably assisted in the Asian Championships recently and particularly to you for your fine services as an announcer and commentator.

Wishing every success to your meeting.

Yours faithfully,

Eric Hayman
