To VCVC Meeting Nowell, Tom Kennedy has offered to attend this meeting for us but I thought I should include some thoughts from our executive.

- Firstly we are a struggling association and will need VCVC assistance in several areas.
- Referees, we need coaching if we are to referee matches at tournaments
  - Finance, although beginning fund raising now the VCVC levy has proven difficult for us to pay while still trying to encourage local participation in volleyball.
  - Junior competition - we would like to see a VCVC sponsored U16 tournament in Bendigo in 1976.

In conclusion we have problems but I believe with a fairly strong executive for 1976 we may & I will overcome these, we will certainly attend the country championships and the Ballarat tournament in 1976.

Hoping that you can be more reliable in the future.

Yours sincerely  
R J Stanton
