Dear Sir,

The Volleyball Association in Echuca wishes to become affiliated with the Victorian Parent organisation, and I have been advised by the Secretary of the Victorian Amateur Volleyball Association to contact you.

The Echuca Association has only been in operation for about two years and wishes to widen its experience with affiliation and competitive games outside the local area.

Could you please assist me in the necessary condition, fees etc.,

I hope you can assist me in this matter.

Yours sincerely,

Alton Baker.
CENTRE DIRECTOR.
