The Secretary VEC.  
WARNAMBOOK MEETING

Dear Tom,  
Firstly, I apologize for not sending a representative to your meeting but we have yet to begin our competition.

I have asked a friend to deliver this note in which I include the following points on behalf of the Swan Hill Association.

1. We will be sending a men and women's team to the County championships and will for a change provide our own referees and duty people.

2. Could you please book the cheapest motel accommodation available for men and women. This association will guarantee this booking fee.

3. We are writing to the Guinness Book of Records to find out further information on the Volleyball marathon. We hope to break the record of 240 hrs for four teams and raise money as well as publicity at the same time. We are looking at the May holidays as a suitable time. Any assistance the VEC could give would be appreciated.

4. We have been drawing most of the...

and will you a change provide our  
own referees and duty people.

2. Could you please book the cheapest  
motel accomodation available for men
