REFEREES

The following referees have been specifically chosen for their respective matches from the referees names provided on the team entry forms. Each referee should be conversant with the rules of the game and the latest interpretations, especially on the blocking over the net and foot over the centre line rule. Briefly, a player is permitted to block ANY ball on the opponents side of the net (ie. a set can be blocked), and on the centre line rule, a player will not commit a fault if his foot touches his opponents court, provided some part of the foot is cutting the vertical plane between the net and the centre line.
