9th February, 1977

TO STATE COACHES:

Please note that the State Executive have ruled that no further expenditure can be incurred from State funds by State Training Squads without first obtaining approval in writing from the State executive. Funds do not allow for further spending over and above the current allocations.

For your information the allocations for this year are as follows:-

Senior Men	\$ 160.00
Senior Women	\$ 160.00
Youth Men	nil
Youth Women	nil
U17 Boys	\$1000.00
U17 Girls	\$1000.00

It is realized that this will create problems but if your Squads are advised now of the position there should be the minimum of inconvenience.

Championship requirements provide that we must supply registration forms to the AVF prior to entering a team. Unless I receive the necessary details and forms six weeks before a Championship then there will be no alternative for the Executive than to not enter that Team. The Championship dates are as follows:-

Seniors	22 - 27 March 1978
Under 17	9 - 14 May 1978
Youth	25 - 20 August 1978

The Country Volleyball Council has requested details of where Squad is training, times etc., in order that registered players from Country areas can have equal opportunity to attend.

The next State Meeting is to be held on the 18th March 1978 from 10.00 a.m. to 6.00 p.m. at the Mont Matre Motel St. Kilda. Please let me have the above information prior to that date.

Yours faithfully,

T.B.CAREY
SECRETARY V.A.V.A.
