Dear Murray.

As you will know, we entered two teams in the Country Championships at Geelong. Unfortunately the old problem has occurred, as soon as we started training players began dropping out.

We then called a committee meeting to discuss the position and the continued lack of support given by members

It was decided to write and ask you to put the following proposal to the next VCVC meeting. "That Swan Hill be given one year to strengthen their association financially and numerically" To assist in this they be allowed to disaffiliate for twelve months, and other strong associations give advice and any possible assistance to creating interest in the Swan Hill area.

The other area of assistance

would be the creation of a section
at the country championships for
weaker associations.

We will not be able to attend
the country championships and
regret any inconvenience this may
cause.

Yours Sincerely
Tony Scott

Dear Sir,

Also enclosed with our entry form is an application to play in an under 17 competition if it is being offered. If our team is permitted to play in such a competition would you please notify me and the entry fee will be forwarded as quickly as possible.

Yours sincerely
Dianne J. McPhan
BAVA Treasurer.

Also enclosed is a cheque for the rule books as ordered.

With Thanks. D. McPhan.
