Dear Mr. Gollong,

Early in December you wrote to me asking for some information about the Horsham Volley Ball Association.

Last winter was a trial season to see if there was enough interest to start it on a permanent basis. There were twelve mens and twelve ladies teams. Six teams had to supply umpires and scorers each week. The games were played under cover in a Basketball stadium. Matches were keenly contested right through to the grandfinal.

The secretary for that season was,

Jenny Chaston
c/o Regional Directors Offices
79 Fibrace St.
Horsham 3400

Warracknabeal have also started a competition which runs during the summer. They have six mens teams. Their secretary is,

Leigh Arnold
69a Lyle St.
Warracknabeal
3393

Hoping that I have supplied enough information, I remain,

Yours Sincerely,

Kevin Gebert
