9/6/77

Dear Mr Watson,

The executive committee and members of the Ballarat Volleyball Association would like to thank the V.C.V.C very much for giving us the opportunity to be here to the Australian coaches. We felt that the evening was a most rewarding one and believe that the coaching sessions they conducted will lead to an improvement in the technique of any player who attempts to put what they were shown into practice.

Secondly, we would like to inform the V.C.V.C that the date of our forthcoming tournament will be September 17th + 18th.

Lastly, further to our request for assistance with refereeing for our finals matches on July 6th, the match we require them for is at 7:45. We also have other grade finals at 6:30 pm and 9 pm but it is the open grade match that we particularly need their services for, although assistance at the others would be appreciated.

Yours sincerely,
Christine Hynd.
