

Mr. D. Watson  
Secretary VCVC

Bendigo, Vic.

Dear Sir

Thank you for the copy of the minutes of the Conference held on the 1st. and 2nd. of October 1977. Once again may I apologise for the inability of our association to send a delegate to the conference.

The GVAVA is very interested in obtaining the services of the State Director of Coaching. We are, as you are aware, holding our annual tournament in early November. As suggested in the minutes of the conference it is desirable for Mr. Santamaria to visit country centres around the time of their tournaments.

Accordingly, would it be possible for Mr. Santamaria to hold coaching clinics in the Shepparton area for a two week period around the time of our tournament (12th/13th. November)? If at all possible we would like Mr. Santamaria to visit this area for the week prior to and for the week following our tournament.

We believe that Mr. Santamaria's efforts would be invaluable in promoting, and improving the quality of, volleyball in the Shepparton area. The association envisages that Mr. Santamaria could spend time with GVAVA members, the GV Association Team and in the large number of schools in the district.

Yours sincerely
