LONG GULLY. VIC., 3550

Dear Tom,

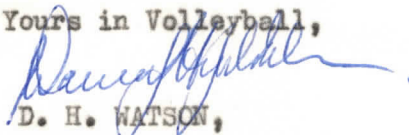

Please find enclosed a copy of the proposed constitution of the V.C.V.C. This constitution should be accepted at our Annual Meeting and thus became our official constitution.

I would like to take this opportunity to offer you the sincere thanks of the V.C.V.C. for your valued work in preparing the original draft constitution which formed the basis of the final work.

The amount of work you must have put into the original draft can easily be judged by the fact that it was only necessary to make minor adjustments to your original draft to arrive at the enclosed document.

Once again, thank you for your valued service to this body.

Yours in Volleyball,

  
D. H. WATSON,  
Secretary.
