Dear Danny,
[Association] On behalf of the Mildura Volleyball
Association I am writing regarding affiliation
with the V.C.V.C.

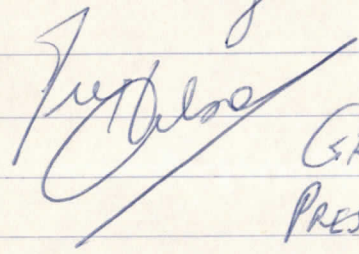

Since adopting a constitution
in June this year and organising a proper
competition our numbers have increased by nearly
250% to date and have at the moment 124
registered & fully paid up members with this
number clearly going to dramatically increase in
the next 12 months. We believe that we are
now larger than Sworn Hill.

Due to the need for finance
and lack of funds prior to June this year
the M.V.A feels it cannot afford to affiliate
with the VCVC under normal conditions we therefore
submit the below proposal.

1. That the MVA gains admission as a provisional member of the VCVC for 2 years.
2. That no affiliation fee is requested by the VCVC for the first 12 months of membership.
3. That a complete fee of \$100 be paid by the M.V.A for the second 12 months of membership.
4. That normal affiliation as decided by the VCVC be paid by the MVA after the 2 years of provisional membership.

I trust you find the above acceptable and look forward to further contact.

Yours Sincerely,

GREG. HILSON
 PRESIDENT
 MICHIGAN COUNCIL ON ASSOCIATION
