● Dear Danny,

At our recent Executive Committee meeting it was decided that Ballarat would apply to hold the 1979 Country Championships, if the venue had not been selected. If it had been selected it was decided to apply for them in 1980. It is believed in Ballarat that we now have the facilities to stage them in our new headquarters at the B.C.A.E. Could you please supply us with the relevant information regarding the application.

● It was also decided to purchase 1000 score sheets through the V.C.V.C, please send the bill with the sheets. Also please send 100 copies of the V.C.V.C International Volleyball Rules book.

Yours Sincerely
Chris Handby.
