TO: All Affiliated Associations

FROM: V.A.V.A. Secretary,

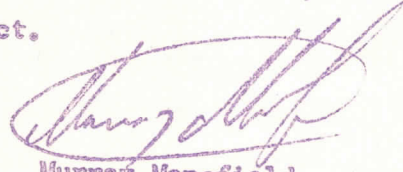

GENERAL COACHES COURSE - LEVEL II

Please find enclosed information distributed by the Department of Youth, Sport and Recreation, relating to general coaching courses to be run during 1979.

The courses are to be conducted throughout the State, so it may not be necessary to travel far in order to participate.

I know of Volleyball people who have undertaken similar courses, and the reports indicate that they are well worthwhile.

If you, or any member of your Association, wishes to participate, or requires further information, please contact the Department direct.

Murray Mansfield

Secretary
