Dear Jeff,

As host Association for the U17 Country C'ships we trust that your programme for the Tournament is running on schedule. At this stage a detailed schedule and budget is required for perusal by the VCVC as soon as possible. The VCVC has applied to the VAVA for a \$250 grant towards the costs likely to be incurred in staging these C'ships and some justification details are certain to be required.

This grant should not be relied upon as certain income because the VAVA itself has a heavy programme .

Please advise if any assistance is required in any manner whatsoever.
