Dear Murray,

At the Nov. meeting of the VCVC it was decided to ask the VAVA if they could provide a grant of \$250 towards the costs likely to be incurred in staging the U17 Country C'ships at Wangaratta during 21st and 22nd of April 1979. A similar request for a \$250 grant towards the staging of the U20 EM C'ships is not now required I believe.

I trust that this request meets with your favourable consideration.

Yours in Volleyball,

T.N.Stevens  
Secretary
