Mr G. Sawyer,
c/o Hamilton Memorial Stadium,
HAMILTON. 3300

Dear Graeme,

Thanks so much for your phone call the other day. I was very pleased to hear that all is going well in Hamilton, and that you will endeavour to join the V.A.V.A. through the V.C.V.C. in the new year. I will see that Tom follows up the matter of the Interstate Country match, and liases with you in its organization.

In the meantime, I have enclosed some 50 promotional posters for you to use and distribute. These are free. I have also enclosed a free copy of the rule interpretations and a set of coaching notes aimed at beginners at primary school level. The interpretations are raw copies. They yet have to be set into booklet form for distribution.

Also enclosed are 20 copies of the current rule book and 100 bumper stickers for you to sell. The suggested price for the stickers are 50c each. Would you please forward payment for both of these items to myself as V.A.V.A. secretary, as they are from V.A.V.A. stocks. Attached is an account for the items.

Tom should be back on deck this week sometime, so if you have any further problems or need any assistance what-so-ever, please don't hesitate to contact him, or myself.

Kind Regards,

Murzay Mansfield
