Recd 19/10/79

MEMO: 1/79.

TO: - All State Association Secretaries
- Nat. Executive.
- Commissions.

FROM: National Executive Director
DATE: October 16, 1979

A quick short note to introduce myself. As you know I have been appointed National Executive Director of the A.V.F. with broad responsibilities in the areas of promotion, development, administration, liaison at the national and international level.

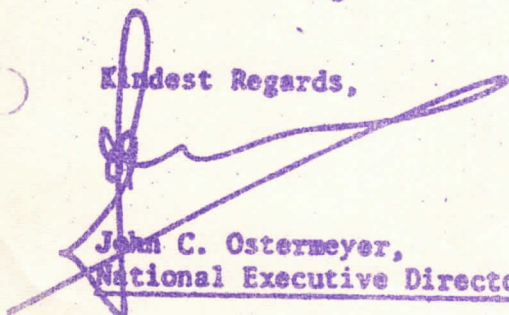

Obviously to be effective I must rely on individuals and State Associations, so if there are any areas in which I can be of assistance to any state association or to any individual please feel free to phone me or drop me a line. Fortunately through the courtesy of Ansett, I am able to get around, so I am ready and willing (time permitting) to meet with State executives etc. For example, I am currently working closely with the ACTVA/AVF on the Pacific Rim Championships in Canberra in 1980. I also will be working in closely with the Tasmania Assoc. in helping them stage the 1980 Open Championships.

For your information, I am married, have 3 children, am a university graduate with extensive experience in promotion, administration, public relations and finance. For the past 5-6 years have been involved in sports administration on a full-time basis.

Attached to this memo you will find a circular which outlines the new administrative arrangements concerning the A.V.F. please note my phone number and address.

I look forward to meeting all of you and would welcome invitations to come to your meetings.

Kindest Regards,

John C. Ostermeyer,
National Executive Director.
