REQUEST FOR SECONDHAND EQUIPMENT

The Doncaster Primary school, recently suffered a serious fire, which totally destroyed all of the schools sporting equipment, including their Volleyball gear.

This school actively promotes volleyball amongst its students, including Mini Volleyball, and supports teams in competitions.

Until such time as the school is able to purchase new equipment, it would appreciate the donation of any secondhand Volleyball equipment which your Association may wish to dispose of. The condition of the equipment is not of particular importance, just as long as they acquire something. Old nets or balls would be greatly appreciated.

If you have any such equipment, and would care to donate it to the school, please forward same to the above address, and I will see that the school receives it.
