SURVEY OF FACILITIES

The Sport Organizing Commission of the A.V.F. Inc., is undertaking a survey of all facilities likely to be suitable for National training squads use and/or the conduct of an Australian Championships.

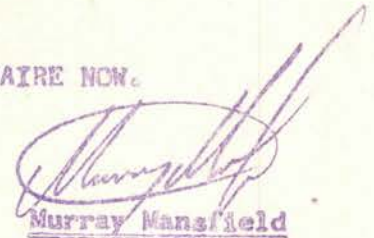

I would ask that you please fill in the attached form AND RETURN IT DIRECT TO THE ADDRESS SHOWN ON PAGE 4 BEFORE MONDAY 9th APRIL.

You will appreciate that your response may benefit your Association in the future, as benefits of hosting an Australian Championship or a National training camp could be very lucrative.

If you are unable to answer ALL questions exactly, make a calculated 'guesstimate' or answer 'don't know'.

A summary of the survey will be available in all States as soon as it is completed.

ENSURE YOUR FACILITY IS LISTED - FILL OUT THE QUESTIONNAIRE NOW.
