Dear Murray

Hi - sorry for the delay in contacting you, but I have been off work sick for the past two weeks.

Firstly, I billed the Associations who had entered a second team in the Country Championships, at the Championships, so far I have had only one response. Enclosed please find Latrobe Valley's cheque No. 506541 for \$40.

Secondly, I received a letter from Maffra/Sale Volleyball Association, it is enclosed and is self explanatory. I do not know the procedures, do I have to wait for an Executive Meeting before I can reply to this, and also, I do not know the procedures about money, etc., so I thought it best that I hand the letter over to you (hope you don't mind). If you reply to them, could you send me a copy of the letter, if you don't reply, but would like me to, just let me know what to say. O.K.?

Enclosed also please find an updated copy of the Constitution and By-Laws of the V.C.V.C., they have been distributed to all Associations.

That's about all I have at the moment.

Yours in volleyball

VICTORIAN COUNTRY VOLLEYBALL COUNCIL

4th September 1980

Dear Murray

Thank you for your letter of 19th August 1980. I have been so busy at work and at home I have only just started to sort out volleyball matters. Shame on me!

Anyway, the reason I am writing is that I have no record or address to send any information out to the Leongatha Volleyball Association. Would you please send me an address to forward future correspondence, also could you include an extra copy of things from V.A.V.A. for them.

In relation to Maffra Sale I had not received your prior copy of the correspondence to Mrs Terry Nicholls. I have taken care of acknowledging their letter and accepted them into the V.C.V.C. (I thought that it had to go to the Committee Meeting first? Or is that just a constitutional thing?). Anyway, do I send them correspondence now (including info on the October Conference) or do I wait to receive your official go ahead after you receive their \$25+.

Sorry to sound like such a fool, but I am only relatively new to this sort of ball game (pardon the pun).

Another thing that I should mention is that I haven't heard from Tony Jolly (S.A.C.V.C.) President, in relation to the Vic -v- S.A. match. I have written him a letter explaining that the tentative date that he and Malcolm organised at the Country Championships (15th November 1980) is unsuitable. It was brought to Malcolm's and my attention that this date is right in the middle of the Higher School Examinations and also the next available weekend is too. Looking at the Calendar of Events left for 1980 there doesn't seem to be a free weekend, if there is, it is too close to Christmas. I suggested that perhaps a January/February match might be more viable. Anyway I left it open for him to write back and may be suggest a date. Hope I did the right thing.

Hope you had a great week in Adelaide, Don and I are going up to Bermagui, N.S.W., this afternoon for 4 days - a little break away from it all - wish us luck for the big catch - we love fishing.

Regards for now,

JENNY
