TO ALL AFFILIATED BODIES:

USE OF STATE DIRECTOR OF COACHING

At the recent meeting of the V.A.V.A. Executive committee, it was decided that the emphasis of the duties of the State Director would be changed slightly for a trial period of six months.

Tomas has been asked to direct his energies into areas where he knows a need exists within an Association, and to also enter areas where facilities exist, but no organized competition.

The two fold aim is to improve known 'needy' Associations and to create new Associations with the corresponding increase in registered members.

Associations are still welcome to request Tomas' services, but should do so direct, and with ample notice.

Tomas may be contacted as follows:

Mr T. Santamaria,  
71 McIntosh Street,  
AIRPORT WEST. 3042

Phone: 03 3382327

Further enquiries may be directed to Tomas or the Secretary.
