

VICTORIAN COUNTRY VOLLEYBALL COUNCIL

19/8/80

Dear Jenny,

Thanks for your letter of 11/8/80. I am rather flat at the moment as I leave for Adelaide next Sunday for a weeks holiday and the Aust. V17's. I am also working odd hours, up until 1am, so you can see I'm rather busy.

I have enclosed a copy of the letter I originally wrote to Mattra-Sale - actually I thought I sent you a copy.

Also enclosed is a copy of a letter I sent to Phillip Island. The sections marked are the general feat of what I write when I get queries on affiliation.

Enclosed are sample player, club secretary & Exec. registration forms. Once accepted, I forward these to the Association for filling out & return.

We really seem to be growing. Mildura have just asked about affiliation, Melton have agreed to affiliate through the V.C.V.C. from 1981, and you probably know Leongatha are joining us. In Leongatha's case, I have suggested the V.C.V.C. will waive the \$25 this year, but they are paying the full player registration. Please ensure you include them in regular distribution from here on, including the Oct. conference.

AFFILIATED WITH THE VICTORIAN AMATEUR VOLLEYBALL ASSOCIATION
AND THE AUSTRALIAN VOLLEYBALL FEDERATION INC.

For Mattro-Sale, I suggest you reply & accept them and advise them that I will forward them the registration forms at a later date. They can pay the \$25 & become a member immediately. They can then be included on the distribution list, attend the conference and be invited to tournaments. You should notify all Associations of their membership so they can be invited to tournaments. They can also ask for Torres direct, although he is pretty busy for the next few months.

Sorry to pass the buck, but I am confident you can handle it.

If you want any further info, give me a ring before the weekend.

Regards,

Shirley.
