MORWELL Vic. 3840

Dear Jenny,

Thanks for your letter and statement of petty cash expenditure. Enclosed is a letter I received from the Swan Hill Association, lodging an appeal against the fine imposed for failure to attend our recent Council Meeting.

My information was that the President of the Association in Swan Hill was well aware that the Conference was on, but may not have been aware of the requirement to attend to avoid being fined.

I have written to Ron Stanton, acknowledging receipt of his letter, and advising that it will be presented to the next meeting of the V.C.V.C..

I don't think there is much we can do in the meantime.

Kind regards,

MURRAY MANSFELD

Dear Sir

I am lodging an appeal against the fine imposed on this association at your last meeting.

The grounds for this appeal is the failure of the VVC to update its registry of office bearers thus resulting in most correspondence being received by ex office bearers. The four present office bearers are all willing to sign statutory declarations to the effect that they did not receive notification of your meeting.

The draw for the County Championships went to Miss Heather Breen as has much of your correspondence during the year. This young lady is no longer an office bearer or even a volleyball player. We have asked you to send mail to the current office bearers, but this has still only occurred irregularly.

If notification of your next meeting can be sent to me, I would appreciate the opportunity of putting this case personally.

Yours sincerely
R F Stanton
