Jenny Vandersteen,
Secretary,
Victorian Country Volleyball Council,
P.O. Box 815,
MORWELL 3840

Dear Jenny,

Thanks for your letters received a month or two back. I passed it on to Tony Jolly, (Mt. Gambier) who at the time was the person behind the interstate games, however, since then Tony has pulled out of volleyball for personal reasons, so I was only too glad to go along with your suggestion that interstate games be postponed. We also had a problem of slotting them into a packed schedule.

Actually, the whole volleyball scene in S.A. is in the process of being restructured, but nothing concrete will be known until the A.G.M. early next year. In the meantime, perhaps the interstate games could be left in abeyance. We have changed our Country titles from October to June, which is now into line with yourselves and Northern Territory.

Yours in Volleyball,

Philip Edge
