MEMORANDUM

To: A.V.F. Executive and State Volleyball Associations.

Subject: State Executive Director

The S.A.V.B.A. Executive is pleased to announce the appointment of a full time State Executive Director as from 5th January 1981.

The appointee is Eric Granger, a member of the S.A. Sports Advisory Council and formerly Executive Officer of the S.A. Lacrosse Association. Although without previous volleyball experience, Eric is well known in sporting circles as a capable and progressive sports administrator and should have little problem adapting himself to his new environment.

His general duties are the promotion, development and administration of the sport of volleyball in South Australia and his office is at the Sports Administration Centre, 1 Goodwood Road, Wayville (P.O. Box 163, Goodwood, 5034).

Taking the opportunity to wish all a successful New Year,

Yours sincerely,

(W. LEBEDEW)
