VICTORIAN VOLLEYBALL

You will be pleased to learn that during the last week of May 1981 the V.A.V.A. will launch its new magazine called "Victorian Volleyball".

It is a 16 page publication, professionally produced and supported by advertisers to ensure that every registered member of V.A.V.A. throughout Victoria will receive four copies per year (May, August, November and February) at no cost whatever to Associations, Clubs, Teams or Players.

Victorian Volleyball is a magazine devoted solely to Volleyball and is written for players, coaches, referees, administrators and everyone else interested in the sport. Its success will depend largely on the response we receive from readers who hopefully will contribute articles on a wide variety of subjects allied to Volleyball.

Articles can be handwritten and anything from 2 lines to 2 pages will be accepted - photos too if you have them. As well as contributions we would welcome information as to potential advertisers, i.e. organisations willing to spend \$100 or more to have an advertisement printed in our magazine.

We will provide you with more information closer to the launch date, in the meantime post anything suitable for publication to the address herein before the copy deadline of April 23.
