Dear Jenny,

I don't know whether the long awaited event has taken place or not, so I won't be too concerned if I don't hear from you for a few weeks.

My query concerns the distribution of Minutes to Country Association Secretaries which currently involves a lot of double handling, none of which appears to be of any benefit to you. So if you would like me to forward the minutes directly to each Association every month, please let me know.

I will of course need up-to-date names and addresses (or box numbers) which seemed to be something of a problem when the subject came up at Moe.

In the meantime I'll stay with the current system and hope you can find the time in between feeds and baths to distribute the 12 copies which by next month will become 14.

Yours sincerely,

R.H. ROWE  
Executive Director
