Box 422, Mildura.

Dear Jenny,

Thank you for your letter, which included the news that the M.V.A. had been accepted into the Victorian Country Volleyball Council.

One thing we would like to inquire about is the V.C.V Two Day Conference, to be held on the 10th and 11th of October. Considering the distance our delegates would have to travel, would you be able to send some more details about the conference especially the hours on both days that the conference occurs. We may also have the problem that our delegates may be in attendance for one day only. Perhaps you can advise us on this

Yours faithfully

Sandra Jones

M.V.A. Secretary.
