Dear Ken

RE: U20 COUNTRY CHAMPIONSHIPS

As discussed with Malcolm Darby by telephone on 11th November, please find enclosed six entry forms for the U20 Country Championships, from -

Warrnambool	Men and Women
Latrobe Valley	Men and Women
Bendigo	Men and Women
Hamilton	Men Only
South Gippsland	Men Only
Ballarat	Women Only

Please make out a draw and distribute to each Association as soon as possible. We suggest due to only 4 womens teams entering, a double round be played in that division. This will give each team 6 games instead of 3. The men each get 4 games which is reasonable.

Due to the time factor and distances (i.e. you doing a draw, sending it to us, us doing the Referees Roster, sending it back to you, etc) we are delegating the Referees Roster to your Association to make out. Please use names supplied on Entry Forms, but be careful about coaches refereeing where their teams are playing and if possible do not use players.

In conclusion, we have arranged for the Valley team to bring the Representative flashes and also organised the U20 perpetual trophy to be there on the 5th. The U20 State Coaches and Tomas Santamar have been invited to select the Representative teams, but as yet no reply.
