Dear Bob,

Further to our previous correspondence in regard to a Victoria vs. South Australia Country 12 competition, I enclose a copy of our State League draw.

I have included two matches for both men and women, which hopefully will be satisfactory. Malcolm Qualtrough had suggested a "best of 3" series, but unfortunately time will only allow as indicated on the draw. I believe that it is vital to play on this weekend when our country and metropolitan players (about 200 in all) will be at the stadium as we can be assured of a good crowd and coverage from the media.

I had envisaged that the teams would play for a men's and women's trophy provided by the S.A.V.B.A. (not perpetual) in the best of two match series. In the case of one win each, the series could be decided on set average and if still equal, on point average.

Hopefully these arrangements will be suitable to the V.A.V.A. and you will pass this information on to Malcolm.

Regards,

Eric Granger,

Malcolm,

Would you please let me know the names of your players and their playing numbers for the programme. Also the towns they play for in Victoria would be helpful. Obviously this is quite urgent.

Thanks

Dear Malcolm,

In the attached letter Ken Breen is suggesting a resumption of the South Australia V. Victoria Country Series which for some reason lapsed in 1981 after its introduction a year or two earlier.

I believe the proposal warrants our support and should be considered by the VCVC as soon as possible and a reply forwarded to Ken in sufficient time to allow the planning to get under way in the next few weeks. Ken indicated to me in Shepparton last week that it was the S.A.V.A.'s turn to host the series which means of course that V.C.V.C. has very little to do apart from deciding to participate and checking the availability of the two V.C.V.C. teams selected at Warrnambool.

To save time I would suggest that you contact Ken direct as soon as agreement has been reached by the V.C.V.C. and advise me when arrangements are under way or at any time you feel you need V.A.V.A. assistance.

Yours sincerely,

Dear Bob,

As you are aware, both South Australia and Victoria play Country Championships and we select a "Country XII" You are also probably aware that there is an intention to play a South Australia v. Victoria Country Series. This occurred in 1979 or 1980 but not in 1981. Following this year's Country Championships there was again considerable interest shown in arranging an South Australia v. Victoria series. I believe also that there was some interest shown at the Victoria Country Championships.

My feeling at the moment is that, if it were possible to find a suitable time we could play a 3 test series over a weekend for both men and women.

The most suitable dates for South Australia would be the last three weekends in October or the 11-12th December (in conjunction with our State U-19 titles). *Where is U19 Titles.*

State League  
Nov ~~25-27~~ 27-28. Finals

Could you, Murray Mansfield and myself get together in Shepperton and come up with some mutually agreeable format/dates etc. that would suffice for 1982 and also some structure that would provide for an annual event?

Yours sincerely,

Last weekend in OCT.

Dear \_\_\_\_\_

Negotiations are presently underway to resume the Victoria  
verse South Australia Country Series.

This series took place in 1979 and 1980 but not in 1981.

The series this year will be held on a 3 test series basis  
over a weekend for both men and women.

The weekend will be on the 27th and 28th November 1982 and  
will coincide with the finals of the South Australian State  
League.

I hope that you will support the Victorian Country Team in  
this series.

Could you please indicate whether or not you will be available  
for this weekend; and give your reply to your Association  
Secretary; within the next two weeks.

Further details will be sent to you as they become available.

John Rosso

Dear John,

Thankyou for accepting the job of coach for the VCVC v SA Country match. The latest information which has been sent to all players is enclosed.

Regarding your request for the Geelong (Australian Rep) to be included The VCVC Executive agrees in principle to this as the three girls from Warrnambool will not be going.

However we must stress that we do not think it is ethical that the girls selected in June do not get a good run for their money.

As we are only playing two games you must take this into account.

However we will leave the decision up to you.

I would appreciate it if you could pass on the enclosed information to the Geelong Women and Men; as I have no addresses for them, or confirmation in writing that they are taking part. If possible could you get their addresses for me.

As far as training goes, if you could organize one or two weekends in either Geelong or Melbourne this would probably be ideal. The Men's coach Marian Melnyk will not be available on the 23rd and 24th Oct., and the Goulburn Valley Tournament is on the 13th and 14th Nov.

Any other time should be OK. If this presents a problem in Geelong let me know, or let Bob Rowe know in Melbourne and we will organize something there. Grub would prefer at least two sessions.

VCVC will pay for training venues.

Don't hesitate to ring me or Bob Rowe about the match.

Malcolm,

Following your phone call this afternoon it would seem that the information won't be needed after all.

It appears that everyone (womens team) will travel to Adelaide by bus (not aeroplane). The bus rental (15 seater) will be approximately \$250.00 plus petrol.

29-9-82

Malcolm Quatrough,

Dear Malcolm

I have received your letter of 16<sup>th</sup> September 1982.

### Victorian Training

This will be held on 30-10-82 from 10 a.m. to 2 p.m. A second session will be held on 13-11-82 from 10 a.m. to 2 p.m. These training sessions will be held at Corio Leisure Time Centre - Geelong.

In your letter, you suggested that the 13<sup>th</sup> and 14<sup>th</sup> November would not be appropriate. Unfortunately, this is a problem as this is the only date in November that the Leisure Time Centre is available.

### Teams

There has been an alteration to this. DORIS PETREVIC has pulled out due to H.S.C. study and I have replaced her with another six footer LYNETTE STRACH. One further entry into the Womens Team is SHAVICA SIMJAN.

It appears that everyone (Womens team) will travel to Adelaide by bus (not aeroplane). The bus rental (15 seats) will be approximately \$250.00 plus petrol.

Could you please organise the Womens training letters - i.e. I will let you have the new addresses so that you can let everyone know about training times.

Also, could you please arrange the Womens uniforms.

If you have any problems, ring me at 7:30 am any morning (the only time I am available).
