

To the secretary, VAVA

VCVC REPORT FOR THE MONTH OF AUGUST AND SEPTEMBER 1982.

1. VCVC Representative side to play South Australia Country side.

Contact has been made with the vic and s.a. executive directors confirming that the match will proceed on the 27 and 28 th of November in Adelaide. The series will be held at the Woodville recreation centre. Bob Rowe is to procure the draw this week.

SA Executive Director suggested hotel accommadation for us. Upon ringing the hotel I was redirected to the Shandon hotel motel in the adelaide subursb of Seaton which is 5 minutes by car from the centre. This motel has been tentatively booked for the Saturday night at \$ 13.50 per head room only. Airfare has been priced at \$ 193.20.

So far four men and three women have indicated in writing that they will compete. Six men and seven women have indicated verbally. This makes ten per team all round.

Mens coach will be Marian Melnyk LV after Rob Brown of W/Bool has reluctantl turned it down. John Rosso of Geelong has been approached as Womens Coach. I have yet to confirm whether this has been done or not.

It is felt that we shpuld have a training day closer to the day, possibly at Geelong or some central location.

I feel that if all goes well with this match, then we should plan next years to coincide with the Vic State league finals, and put such onto the vava Calendar.
