1. VCVC Representative Side To Play South Australia Country Side.

Regarding letter sent from Ken Breen, the Coaching Director of South Australia. Intention is to resume the State verses State Country Series which elapsed after 1980.

After discussions with Eric Granger, South Australian Executive Director, Bob Rowe, Tom Stevens and myself, it was decided to hold a three test series on the weekend of 27 and 28 November 1982 in Adelaide. This would coincide with the South Australian State League Grand Finals.

I have sent a letter to each player selected in the Victorian Country side asking for a committment on that weekend in November I hope these will be retutrned by the end of the month.

Details such as training, coaches, transport etc. will have to be arranged.
