Dear Jenny,

Thanks for your recent letter. I have a copy of Hamiltons Exec., so return your copy.

In relation to U17's at Stepparton, I have ^{had} some moans about referee organization in the past. I know when Tommas has done it, he tends to nominate people for matches "on the fly".

Could I suggest the V.R.C. (via Bob Rowe) be asked to allocate & manage officials for the U17's? To do this, we would have to provide the list of nominated referees as soon as possible. I think referees draws should be distributed with the playing draw.

I intend to be in Stepp. for the champs., as we are going to train linemen & scorers in readiness for the 1982 Opens (National) in July. If the V.R.C. won't take it on I guess I will, but would still need the info. 10 days in advance. Leave it up to you.

Regards,
