Dear Sir/Madam

On behalf of the V.C.V.C. I have pleasure in officially advising you that your Association has been accepted into the Victorian Country Volleyball Council as at 10th October 1981.

Please accept my apologies for the late notification, but with a new baby, Christmas, etc., I haven't had much time to do volleyball work.

Also please find enclosed the Minutes of the V.C.V.C.'s Two Day Conference and a copy of our Constitution and By-Laws (for your records).

Yours in volleyball

Jenny Vandersteen
