RE: NATIONAL OPEN CHAMPIONSHIPS

As you are no doubt aware the Goulburn Valley Association in conjunction with the VAVA will conduct this year's National Open Championships in Shepparton from July 17 - 24.

Planning has been under way for some time and with such important items as sponsorship and television coverage already finalised there is every indication that the Championships will be highly successful.

As a neighbouring Association there is one area in which you could make a very worthwhile contribution towards that success; I refer to the need for officials - linesmen, ball boys, attendants etc., particularly on week days when local resources will be severely tested between 2pm and 5pm daily.

If your Association can make up just two car-loads able to officiate for just one afternoon and evening you will greatly assist the Goulburn Valley people who on this occasion are doing a tremendous job for Victorian Volleyball and the VCVC in particular.

Please ring Terri Crozier on 058.217227 to arrange a suitable date for the involvement of your members in the 1982 "Country" National Open Championships.

R.H. ROWE
Executive Director

Jenny,
I've written to these four Associations because of their proximity to Shepparton, but if others could lend a hand we'd be delighted to have their assistance. *Bob*
