Dear Secretary,

I am writing to you on behalf of our club, requesting an invitation to compete in the U/20 and U/15 Victorian Country Championships being held in Bendigo on July 31st and August 1st 1982.

As you are probably aware junior competition in the metropolitan area is basically non-existent, so if our teams are to improve they must play more matches against better competition.

An invitation to compete at this years country championships would be the first step to achieve this.

Hagerley anticipating an invitation

Yours Sincerely,

Phillip Roberts 26/5/82
