Also enclosed, is a bank authority form, to change the signatories to our account. Would you kindly sign it under the heading 'Specimen Signatures', and ask Malcolm Darby to sign as Chairman of the meeting, then return the form to me.

Please also note that the following Associations have been fined for various breaches of the By-Laws:

Hamilton -	Late Champs. entry
•Ballarat -	" " "
•Geelong -	" " "
•Ballarat -	Late registration returns
Hamilton -	" " "
Mildura -	" " "
Seymour -	" " "

These fines are due next Friday, and according to our By-laws, they can be suspended if they do not pay. I suggest that we don't suspend them straight off, but we don't accept entries for any Championships from them.

Mildura, Hamilton and Albury/Wodonga have also been billed for the advance bonds. We should not accept entries from these until the bonds are paid. In Mildura's case, they have forfeited it before they have even paid it, so I don't know how we will go collecting it. Will wait and see.

Nothing much else at the moment.

Regards,

Murray Mansfield
