Murray Mansfield.

Dear Murray,

Could you please forward this letter with cheque to E.R.E. Embroidery as addressed.

This invoice is for Under 15, 17, 20 and Open 1983; 24 flashes of each; as well as 12 Under 15 1982.

Thankyou for your letter from Jeff Barratt.

I have no reason to dis-believe his account. I was suspicious at first, but after having spoken to him on the phone a few times I believe his excuse is genuine.

I think that the fine should be dropped, as he made every effort to organize their entry after I rang them.

However I think that we should warn them to watch the calendar in future, as this is obviously a slackness on behalf of himself and the Geelong Committee.

I already gave him a bit of a hard time on the phone over the Under 20s entry, so maybe a gentle (?) warning from you will enforce our attitude.
