The Secretary,
Victorian Country Volleyball Council,
P.O. Box 40,
Eildon, 3713.

Dear Malcolm,

Unfortunately a delegate from this association shall not be able to attend the Victorian Country Volleyball Council Annual General meeting this weekend. I have sporting commitments on a weekend which prevents me from attending.

Our association has grown to 7 teams this season. The competition was promoted through posters located in local shopping areas. However we have managed to change the night which has attracted one of our new teams. We have played one match at Toongabbie which was quite successful. I feel the standard is improving. Coaching clinics began the season; we are now in Round 5 of our normal competition. The association has entered a team in the Men's Regional Championships. A mixed competition is still in existence.

Please accept our apologies for not attending this weekends meetings.

Yours Sincerely
Kum Woods.
